

A SPACE TO MEET WITH  
THE LIVING GOD FOR  
**RELATIONSHIP • HEALING  
TRANSFORMATION**

We are so pleased that you plan to set up an Encounter Group and look forward to working with you in the weeks and months ahead.

As you know, Encounter Prayer is a way of living with a much stronger sense of Jesus' presence and it's great that, like us, you want to help people make it part of their life.

We have put together some information that we hope will be helpful to you:

- guidance on how to train your facilitators
- tips about the technical side of running an Encounter Group online
- access to a library of CHM's talks and meditations that you are welcome to use with your own group.

## Training your facilitators

There is also an information sheet here that you can either email to them or print out and distribute. [Click here to download.](#)

## Technical Aspects of running an online Encounter Group

Here is a sheet that gives you most of the information you need. [Click here to download.](#)

Also, you may find that [this video](#) about organising breakout rooms proves helpful.

## CHM's Library

Here is the link to access a library of talks created by John Ryeland.

You are entirely free to produce your own talks and Encounter meditations, but if you find it easier you are welcome to play the talks and meditations provided here to your group.

Alternatively, you might like to put our talks into your own words and deliver them yourself. Some have the Encounter meditation with them, and again you are free to use these as you wish.

**If you still have questions, please don't hesitate to get in touch and we will do our best to help and encourage you.**

**It will be great to work together as we try to introduce more people to the wonder and joy of Encounter Prayer.**
